

The personal information held by Bosch Health Insurance Society that we handle as identifiable personal information is applied information and cash benefits information with a personal identification (PI) number attached.

We use such identifiable personal information for the coordination of information with health insurers and administrative bodies in accordance with Article 19.7 of the Act on the Use of Numbers to Identify a Specific Individual in Administrative Procedures as follows.

In cases where we receive information from other organizations for us to conduct our affairs

- Benefit information etc. concerning investigation affairs into insurance benefits such as accident and sickness benefits, high-cost medical care benefits, and so on
- Taxation and tax-exemption information concerning the determination of allocation of burden on elderly recipients, and so on
- Qualification information in other organizations concerning insured person qualification acquisition affairs
- Taxation and tax-exemption information and residence registry information concerning non-working dependent authorization affairs

In cases where we provide information to other organizations for them to conduct their affairs

- Insurance benefit related information within Bosch Health Insurance Society concerning another organization's payment affairs, such as high-cost medical care expenses, maternity or funeral related benefits, and so on
- Information within Bosch Health Insurance Society related to qualification acquisition and non-working dependent qualification and concerning another organization's qualification verification affairs, such as qualification acquisition, authorization of non-working dependents, and so on
