

Announcement about the Activities of Medical Expense Analysis Jointly Conducted by Bosch Health Insurance Society and the National Federation of Health Insurance Societies

October 1, 2026
Takako Isobe,
Managing Director,
Bosch Health Insurance Society

Under the Act on the Protection of Personal Information, the provision of personal information to a third party in principle requires the consent of the individual concerned. However, the following cases are legally excluded from the definition of "provision to a third party": ① provision to a contractor; ② provision in connection with a merger or similar event, and ③ joint use within a corporate group.

The Bosch Health Insurance Society (hereinafter referred to as "Our Society"), in order to implement data-driven effective health activities and to optimize medical expenses, participates in the activities of health checkup and medical expense analysis conducted by the National Federation of Health Insurance Societies (hereinafter referred to as "KENPOREN"). In doing so, pseudonymously processed information, prepared in accordance with the Act on the Protection of Personal Information, is jointly used with KENPOREN.

Accordingly, we hereby publicly announce about ① the fact that we jointly use the information for which protection is required by law, and announce ② the jointly used personal data items ③ the scope of the parties involved in joint use ④ the purposes of use for which the parties jointly use and ⑤ the names and addresses of the people who are responsible for managing the personal data, as well as the names of the representatives of the legal entities as follows:

1. About Activities of Medical Expense Analysis Jointly Conducted with KENPOREN

Our Society participates in the activities of health checkup and

medical cost analysis conducted by KENPOREN with the aim of implementing effective data-driven health activities and optimizing medical costs and jointly uses the pseudonymously processed information with KENPOREN created in accordance with the Act on the Protection of Personal Information. In the meanwhile, this joint use of pseudonymously processed information is carried out pursuant to the Act on the Protection of Personal Information, Article 27, Paragraph 5, Item 3 and Article 41, Paragraph 6.

2. Items of the jointly used pseudonymized information

- Result data about the performed specific health checkups and specific health guidance
- Data of medical cost details (rezepts)

Regarding the above data, in accordance with "3. Upload Data for Research Purposes" within the document titled "Handling of Personal Information in the Aggregate Data Upload File Creation Function" established by KENPOREN (see Attachment), the information containing personal information has been excluded or masked, and consequently, the data that can identify the specific individual are not included.

3. Scope of Joint Users

- Bosch Health Insurance Society
- KENPOREN

4. Purposes of use by parties sharing the data

The National Federation of Health Insurance Societies (Kempo-ren) aggregates data provided by individual health insurance societies. It publishes survey reports—which serve as benchmarks for implementing health promotion programs—on its website and elsewhere, and also utilizes the data for research and analysis regarding issues in healthcare policy.

5. Party responsible for the management of pseudonymized information subject to joint use

Bosch Health Insurance Society
Takako Isobe, President
Address: 2-5-5 Yakyu-cho, Higashimatsuyama City, Saitama
Prefecture
Administrative Supervisor: Administrative Manager
